	Member Name Bond # Date
In li	eu of casting my own vote on the above matters, I hereby designate SRRA Member(Name) (Name) (Bond #) to serve as my proxy for voting purposes on the above matter.
[]	Write-In Candidate
	Shawn Thompson - I'm looking to get even more involved with Sideburn Run as a member of the pool board. I'm already active in the Sideburn community as the voice of the Sideburn Sharks Swim Team and in tackling projects such as improving the sound system and internet access. Professionally, I've led teams and initiatives with growth-oriented technology companies such as Google and Accenture. I'm looking forward to tackling the challenges of reengaging the community and growing our pool membership.
	Ginger Gould - I have lived in the Country Club View neighborhood and have been an SRRA bond member since 2002. Although I have never held an elected position with SRRA, I have been a willing volunteer and strong supporter of the pool's swim and dive teams and other SRRA events. I have spent the better part of 30 years supporting several nonprofit organizations at varying levels of financial and operational positions, as well as directly serving those board's governance efforts in the areas of finance, audit, operations and investment oversight. I look forward to serving the SRRA community and I believe that my past nonprofit experience will benefit SRRA by helping us to make good financial and operational decisions and improve the future stability of our pool.
	Melissa Talbot - I appreciate the opportunity to run for the Sideburn Run Recreation Association (SRRA) Board of Directors. My family and I have been SRRA bond members since 2010. I have enjoyed getting to know many of you through social activities, swim and dive team events, or just spending time at the pool. I have seen first-hand what a vital part of our community the pool can be and how it can foster friendships across generations that last well beyond the summer. This past year I have had the privilege of serving on the SRRA Board and appreciate the importance of making the pool a safe and enjoyable place for all of our members. I'd like to continue to serve in this capacity alongside the other dedicated and committed Board members and nominees on this year's slate of candidates.
[Rob Proulx - I've been a United States Marine for 21 years. I began my career as an enlisted Marine in 1997 and then commissioned as a 2 nd Lieutenant in 2007 as a financial management officer. I attended the University of California at Davis (UC Davis) and Majored in Managerial Economics. I also received an MBA from the Nava Postgraduate School (NPS) in 2012. I've been married for 17 years and have 4 children that are involved with the pool. I believe my military background; financial and business education make me an excellent candidate for the Sideburn Run Recreational Association Board of Directors.
[Marian Littleton - As a bond member for 10+ years, my family has loved being an active part of the SRRA community by participating in various Swim & Dive team events as well as general pool activities. I have served as the Sideburn Run Dive Team Rep for 4 years, the team leader of the SRSD Snack Bar and as the President of SRRA for the past two years. I own a small business in Fairfax City with almost a dozen employees & several dozen subcontractors. I am also very active in other community based charitable organizations. I believe my strong work ethic and dedication to SRRA will allow me to continue to serve our community as part of our pool's leadership team.
